

1 May 2025

1. Next midline assessment by Kamal in end-September 2025.
2. Kamal Tiwari will share final report and results by individual student on 5 May
3. Sheeba and teachers discussed SPS children's assessment results as shared by Kamal and agreed on the need to restructure *Islahi Taaleem* to address the students who are below their Grade (Class) learning Level – that is, they are at Level 1, 2 or 3. It was agreed that the children who are at or above their Grade (Class) learning level – Levels 4 and 5 - should not attend *Islahi Taaleem* classes.
4. SPS teachers should review and restructure *Islahi Taaleem* in line with the learning Level of child, not the Class/Grade/Standard of the child. The individual learning level of the child are provided in the student list.
5. SPS should create a separate program for children who are at Level 4 or 5 in Reading, Math and English.
6. SPS should review their method and outcomes of teaching the school syllabus compared to 2017 NCERT guide for Primary school called सीखने के प्रतिफल
7. SPS should also review their LKG and UKG teaching level in line with सीखने के प्रतिफल
8. SPS to commence structured engagement with parents for all 15 Vazeefa students led by Sheeba and assisted by Shabnam (Class 4), Kashifa (Class 5), Tanu (Class 3). They will share specific responsibilities of parents for their children's better education.
9. SPS to recommend workbooks and story books in Hindi, Math and English required for use for different learning levels and where they can be used in classroom teaching or *Islahi Taleem*.
10. Summer vacation 15 day reading plan for some children, if possible?
